HEATHER RIDGE COMMUNITY HERO HIGHLIGHT

Do you or someone you know work with the Fire, Police, EMS department or serve in the United States Armed Forces? What about a teacher, nurse, or selfless Scout Leader?

The Heather Ridge HOA Board is proud of our community heroes and would like to say thank you by highlighting them in our monthly newsletter. To submit your nominations, visit our website at www.heatherridgehoa.org under the contact us section and send us an email with the person's contact information and the reason why you think they are a community hero. Please make sure you list your subject line as: **Community Hero**.

DID YOU KNOW?

The Top 3 Neighborhood Violations & How to avoid them:

- **Yard maintenance:** It's hard with a busy schedule and unplanned rain to get out and mow, edge, and trim our yards but curb appeal is important and keeps our neighborhood looking nice. Thankfully, there are several local companies that are reasonably priced that can assist on short notice. Ideally, yards should be maintained every week to week and a half to help cut down on the reminders.
- **Vehicles & Trailers:** Please be mindful of your neighbor's driveways and mailboxes when parking on the street or having company over. Trailers, RVs, campers, boats, and other such vehicles are encouraged to be moved within 72hrs of one's front yard. They can, however, be stored in a garage or backyard as long as they are not visible from the street.
- **Miscellaneous items located in front yards:** Keep in mind, old furniture, fence pickets, concrete blocks, etc. are only to be put out front on trash days or bulk pick up. If you are unsure of when those days are please visit the City of Saginaw website at: <http://www.ci.saginaw.tx.us/378/Garbage-Recycling-Pick-up>

School is starting soon, it's STILL hot outside, and life is becoming more hectic by the minute in the Calderon home. To make my life easier, I am trying to fall in love with my crockpot again. At the end of the day, I always feel like it's too hot to use the oven and heat up the house but I am hoping that if I use my crockpot I'll spend less time in the kitchen and can easily have dinner made without too much fuss. I recently received a recipe from one of our own Heather Ridge residents Abbie Johnson. The recipe is by Linda Etherton and looks absolutely delicious. Thank you, Abbie Johnson, for sharing this with the community. I hope everyone enjoys it including my family. If you have a quick and easy slow cooker recipe that you would like to share with the community, please email us on our website www.heatherridgehoa.org under the contact us section. Citrus Cinnamon Chicken in the Slow Cooker

Author: Linda Etherton

Ingredients

1 cup ketchup
¼ cup instant tapioca
1 cup orange juice
1 stick cinnamon
6 pounds chicken thighs, bone-in, skin removed

Instructions

1. In a bowl, combine the ketchup, tapioca, and orange juice. Put about half in the bottom of your slow cooker. Place the cinnamon stick on top of the sauce.
2. Put a single layer of chicken in the pot, spoon some sauce over each piece. Add another layer of chicken and sauce. Repeat if necessary.
3. Cook on low 6 – 8 hours, or high 3 - 4 hours or until chicken is done.
